

Catering

The SugarHouse Barbeque Company can cater your next office party, wedding, baptism, or any special event. We can deliver to your location, set up and leave you to serve, or our employees can serve and clean up after the event. We can also host the event at our restaurant in your own private dining room or, by special arrangement, we can even be closed to the public! Give us a call today at (801) 463-4800 and begin planning your next event with the Sugarhouse Barbeque Company. View our Catering Menu by clicking [here](#).
